☞ *“Trafalgar designs every product with a luxurious, timeless aesthetic, making it a smart choice no matter where you’re headed.”*

The background of the slide is a close-up, high-resolution image of a brown leather surface. The leather has a distinct pebbled or grained texture, with numerous small, irregular bumps and depressions creating a tactile appearance. The color is a rich, dark brown with subtle variations in tone due to the lighting and the texture of the material.
